WAVE 8885 - 100-4700 1061

repaired and fix this boat. This group has not joined the C.R.C.

Partido Revolucionario del Pueblo - PRP ✓

These people are lagging behind other groups. We don't have a qualified military type to deal with. We are dealing through _____.

We intend to get four people of theirs by 15th of December. We did support one operation where our requirements re reception points etc. would permit.

~~WAVE 8659~~ We turned them down last week because they had a bad boat.

Mazatlan

This group proposed to put in a team to establish contact with internal assets. Group without communications to inside and have operators who refuse to go in blind. This group has not been effective since AMCDIP-3 left. This operation could go within six weeks if we had case officer time.

AMHAZE Group

WAVE 8659 - Following this we are planning one in the Santa Clara region - copper mine there extreme west end of Island. Critical communications.

Independent Evelio DUQUE

Train five men for group 15th November. Training of operator will proceed currently. Interested in GW and revise plans to meet present policy requirements. First three men of this group into Sierra Cristal ca or about 20 December.

SI Operations

Four operations were submitted by the AMCT's -- COCHISE, APACHE, GERANIMO and one additional without name. First three are all in progress and will be implemented within six weeks. Fourth plan is being studied and can also be implemented within six weeks. CHOCRISE is operations where team going is North coast and they are to set up the dispatch and reception points. Hqs. has details for COCHISE, APACHE, AND GERANIMO. The pending operation which can go in six weeks is a team of about three people and they will go in 45 miles east of the CHOCRISE point.

Geographical

ЗАСТА

Sabotage plan submitted by the FORD on the Sabo's radio station sent up north already. Sect one man in NYDC AMICE-10 for collection of the necessary information on the area. Plan #11 in effect.

Plan submitted by the DRE - Assault BOMA TO prison. Only considered within possible within general plan of overall liberation but still under consideration.

Plan for support of clandestine guerrilla forces in volume within the area submitted North. WAKR had no indication from HQ USAF re approval or not.

283

Plan which we drew up for the selection of three naval units of Santander
to Cuba with main objective of continued action along coast before retreating to
nearest port submitted to DFL. Have not consolidated it and have not sent up yet.
I think it better to wait longer in general terms, but can start over again if
we are still needed. The 3rd division should be reorganized.

14-00000

All of these people we are planning general seaborne inclusion - attack electric power, communication, transportation and material delivery equipment whenever and whenever possible. All are being trained along these lines.

Maritime

Motor vessel XI VILLARO next six weeks this vessel will begin with full commercial training. After at least one cover voyage used operationally. Can be used with other vessels to supply long range craft. Very slow and we are cautiously. We don't have vessel capability for reaching south coast. TEJANA could do this within four weeks. Processing purchase of boat forms other side. (Referring to Scotland).

CDT Team

Team of four people presently capable of maritime recon and operations.

Communications

Presently have six people in training two people will become instructors and (operators) four operational operators. Will have three radios in three weeks, one in three months. ~~ENRMAXXDEK, XMM126~~

For OEM the future we have 23 candidates all of them have had some training as others move out they will be moved in. Spots 17 basic candidates primarily from these groups. With our present staff capable of training six people at one time observing compartmentation. With additional indigenous instructors 3 at any one time with observing compartmentation.

...and the people who have been recruited by them, are certain to turn against us in the case of shortage of staff. From right now we're on warlike. Next day, Friday Peacock, M.A., and CPC.

People have come to use offering the books. There are various books but
they
all too many as books they are most popular & all the time are distributed.

more than 5% of these independent operations were successful. They will sail their boats out in any weather and then want us to pay for repairs. Security problem of loading boats. It is in the nature of possibility they would be supported in future, but not until capable crews and good boats.

Ans: Next tentative operation proposed by ANWCO-1 - There to six fishermen who
have boats here (Islands), Cuban vessels, which can go in and out. We are
investigating this. We have run one operation with this group. It looks good
and we are going to develop.

Leader independent, AMICUTLER-1, he has contact with OSVALDO RAMIREZ in
Guaribay who desires support. We have given him guidelines for operations.
Claims he has 8-10 men with training and have infiltrated several small people.
We are trying to bring him back to group from which he came.

GARCIA ERITO - This group has installed radio operation bases and friendly units in the Villas. Question of sizes and lack of communications with internal assets.

ability, founder ANGARTE, wonderful men, experienced along Camaguey coast.. Good idea on establishment of mangrove caching facility, similar to proposal of UR. They are good group so we're looking into use his know how.

22nd of May Group - Have made request for support. Off-shoot of 30th of November Group. As a splinter of this group, being advised to rejoin their parent group. Exploring possibility of supporting them if they cannot rejoin parent. Their plans come to us through AMCLATTER-1.

MRPC - Requests are same as from other groups, and this is cylinder of MRR. We have told them to rejoin parent and provide them general guidelines.

Independent group of camp traitors - 40 men and supplies and transportation to Oriente. No communications and willing to sacrifice themselves in GW. Given guidelines to forget about GW and get resistance plan. Their spokesman is Fred Goudie.

Independent Group of JUAN MESA - formerly of MDC. Generally collects about four independent boats which he operates as coordinator. Running rescue operations and wants support. For instance, wants support operation to exfiltrate eight children from west coast. Seeking support for an Oriente infiltration team headed by PNPIN LOPEZ and 13 men. Turned him down. EDAK doesn't have capability to deliver.

14-00000

Independent sab group headed by ALDO VERA SEPULVEDA wants training and support of formal sab group. Claims he will hit targets in Havana area. We have not even talked to him on basis of poor CI background. Spokesman is Comte Aguero.

^{SAME}
Independent sab group of OSCAR DIAZ wants/same previous group. Claim they can hit targets throughout Cuba. Also associated with Comte Aguero. WAVE experience with this man is such that we don't look kindly on this request. As member of FDR military he made things difficult.

Independent group - JULIAN DIAZ FERNANDEZ - Claims to have 300 constitutional army men tactic. Radio out here. Willing to go back. WAVE exploring this. Will try to tie him to another group, but if unsuccessful and find his claims valid plan to support him.

ORLANDO SOUTO - proposes to harass a CTC rally in Guanajito Stadium in Miramar tonight by firing 75 mm high-explosive projectiles stadium from off shore. Told him no dice.

In addition, the CRC plan at Headquarters hand carried by Bob Davis and given ⁰³ to [] should be included in report. We would like to have it back soon.

One other operation - AMBANTY-I - This man has 500 people to Pinar del Rio. He is being trained and should go back in December
